To: Jamestown Charter Township Board of Trustees & Planning Commission  
From: Gregory L. Ransford, MPA  
Date: November 10, 2017  
Re: Monthly Activity Report – October 2017

---

Please find within this memorandum our October 2017 Monthly Activity Report for service to Jamestown Charter Township. The report is structured to include those items that are most relevant to planning or include our assistance to another department because of its relevance to planning. We did not include general inquiries such as basic phone calls, walk-ins during office hours (that did not result in extensive planning assistance), responses to press inquiries or other similar minor items.

In the instance you prefer that our report include those items, please let us know. Otherwise, we will continue to structure the report in the same fashion. If you have any questions or need further detail, please do not hesitate to contact us anytime.
