Also in attendance was Bill Bedford from Paradigm Design.

The minutes from the April 11, 2017 meeting were read and approved

Agenda was read and approved

It was noted as we get started on the drawing of the blue prints, we will possible need to meet two times a month. That would be the second and fourth Thursday of the month. An email will be sent as a reminder if we are to meet on the fourth Thursday.

Jim Ondersma was going to notify Vriesman and Korhorn to get a topography map of the fire station site.

Jim Ondersma was going to meet with Victory Farms, who has rented the fire station site land for this growing season.

There was discussion about adding a fourth bay to the proposed fire station. Jim Ondersma would get a rough estimate of what the fourth bay would cost.

Keith King departed the meeting at 8 PM, due to a family emergency.

The next meeting is scheduled for Thursday, June 8, 2017.

Meeting was adjourned at 8:05 PM
