-We ask that attendees please conduct themselves in the same manner they would if physically present at a meeting at the Township Hall.

-We ask that attendees, besides Commission members, Staff, and the recording secretary be on mute. As attendees enter the meeting, you will be automatically muted but unmuted by the meeting host soon after. This is to reduce accidental noise as you enter into the meeting.

-Members of the public will be permitted to make comments during the Non-agenda comment portion of the meeting. No public hearings are scheduled for this meeting. If any participant would like to speak, please virtually raise your hand. The Planning Commission Chair will recognize those requesting to speak, and will ask each Planning Commission member if they have comments on the matter(s) discussed.

-The Planning Commission has paper and electronic copies of the meeting materials, which were posted on Township's website. The meeting host may also share meeting materials using screen share functionality.

-Please note that this meeting is being recorded, and disruptive participants will be removed from the meeting. If there are too many disruptions to the meeting, the meeting will end early.

-All votes should be taken by roll call vote.
