SITE PLAN APPROVAL VERIFICATION

All applications for a building permit that were subject to site plan approval by the Jamestown Charter Township Planning Commission require authorization from the Planning Department of Jamestown Charter Township to proceed with construction. In its capacity as the Planning Department for Jamestown Charter Township, Fresh Coast Planning shall verify that all documents submitted for a building permit match and were approved by the Jamestown Charter Township Planning Commission. This form shall be submitted to Fresh Coast Planning along with one (1) copy of the plans submitted for a building permit. No building permit shall be issued for the project until verification of compliance with the Jamestown Charter Township Planning Commission site plan approval is provided by Fresh Coast Planning to the Jamestown Charter Township Building Department.
