MEMORANDUM

To: Jamestown Charter Township Board of Trustees & Planning Commission
From: Gregory L. Ransford, MPA
Date: June 6, 2017
Re: Monthly Activity Report – May 2017

Please find within this memorandum my May 2017 Monthly Activity Report for service to Jamestown Charter Township. The report is structured to include those items that are most relevant to planning or include my assistance to another department because of its relevance to planning. I did not include general inquiries such as basic phone calls, walk-ins during office hours (that did not result in extensive planning assistance), responses to press inquiries or other similar minor items.

In the instance you prefer that my report include those items, please let me know. Otherwise, I will continue to structure the report in the same fashion. If you have any questions or need further detail, please do not hesitate to contact me anytime.

Activity

- Valley Vista Phase 3 application
- Bridlewood Condominium Planned Development application
- RT Baldwin matters
- Jamestown Meadows Planned Development application
- Zutphen Christian Reformed Church
- Perry Street Sand Mine matters
- Pathway language revisions
- Height language in commercial, industrial and residential districts
- Montague Special Use application
- Mining permit inquiry

Thank you for the opportunity to serve Jamestown Charter Township.
