The minutes from the May 11, 2017 meeting were read and approved,

Agenda was read and approved.

It was noted that Korhorn and Vriesman had completed the topography map of the future fire station site.

Jim Ondersma had meet with Victory Farms and showed them the area for the future fire station.

It was decided to dismiss the idea of adding a fourth apparatus bay, due to the rough cost of \$100,000 to build it.

At this time Bill Bedford from Paradigm Design began the in depth discussion on the proposed fire station.

The next scheduled meeting will be June 22 at 7 PM.

Meeting was adjourned at 8:45 PM.
