The workshop was led by Ottawa County Administrator Al Vanderberg, assisted by John Shay and Ian Arnold.

The Board members and Planning Commission members made lists of what we consider to be the Strengths, Weaknesses, Opportunities and Threats of Jamestown Charter Township.

The group then created a list of over 30 future actions that the Township could act on in either the near future or a little further down the road. These future actions were first divided into 5 categories: Public Works, Communication, Parks and Recreation, Governance/Staffing Needs Plan and Community Development. Each Board member first prioritized each of these categories and chose their top 13 items from all 5 listings.

Al Vanderberg is to compile and submit the final report.

Meeting was adjourned at 12:28 pm.
