RE: July, 2020 Monthly Report

Deputies responded to 141 calls for service during the month of July.

The bulk of recent traffic calls is regarding the I-196 and M6 construction traffic. I've run the route multiple times and contacted multiple semi drivers. All had been following GPS routes and were from other states or provinces and weren't aware of the truck routes. The sign board is again being used at 8th/Quincy St. in an attempt to assist commercial motor vehicle drivers with following the correct route. I will be towing it to the office today to charge it and return it to the intersection tomorrow.

Thank you for your continued support,

Deputy Eric Smith
