MEMORANDUM

To: Jamestown Charter Township Board of Trustees and Planning Commission
From: Gregory L. Ransford, MPA 
Date: February 2, 2023
Re: Monthly Activity Report – January 2023

Please find within this memorandum our January 2023 Monthly Activity Report for service to Jamestown Charter Township. The report is structured to include those items that are most relevant to planning or include our assistance to another department because of its relevance to planning. We did not include general inquiries such as basic phone calls, walk-ins during office hours (that did not result in extensive planning assistance), responses to press inquiries, or other similar minor items. In the instance you prefer that our report include those items, please let us know. Otherwise, we will continue to structure the report in the same fashion.

If you have any questions or need further detail, please do not hesitate to let us know.
