Items of Information:

DeHaan shared that Innovative Landscape Services informed us that they will no longer be providing lawn care services. This includes the Township office, Library and a few miscellaneous Water/Sewer Department properties that they had been mowing for the past few years as well as our 4 cemeteries that they just bid on in January and that we had accepted. So, we are urgently seeking mowing services for all of our Township properties.

Public Comment for Items not on the Agenda: None

Moved by DeHaan, seconded by McCormick, to adjourn at 6:11pm. Carried by voice vote.
