It was stated that three trailer loads of amenities were delivered to the park on Monday, February 10, 2025. In March or when the ground thaws, installation is scheduled to begin.

The committee had in-depth discussion about fund raising ideas.

Laurie was going to discuss the idea at the February 17, 2025 meeting of the township board of directors.

The fundraising company would help with coaching, implementation and overall fundraising techniques. The committee is to do the fundraising.

There are four items that we would like to start with the fund raising on and they are pickle ball courts, basketball court(s), nature trail, pavilion and security lighting.

The estimated cost for these items is \$2,300,000.

No date has been set for the next meeting.

The meeting was adjourned at 8:30 PM.
