

Jamestown Charter Township Park Planning Committee

Unofficial Minutes for April 24, 2025

Meeting called to order at 7:00 PM.

Present: Lesli Kwiatkowski, Laurie Van Haitsma, Mark Pater, Jim Ondersma

Absent with notice: Janet Oskin, Tim Schollaart, Gail Altman

Discussed with Kennari Consulting fund raising ideas for additional amenities and a park pavilion.

Created a list of contacts that might be interested in donating to the park.

The committee was brought up to date on the park's progress, noting that the playground area was almost complete.

It was noted that the soil around the park was still very saturated and will need to dry out before additional excavation can continue.

A list of names was created of various elected officials serving Ottawa County and West Michigan.

The next committee meeting date has not been determined.
