Enforcement - 42 (September had 44)

Crashes - 35 (September had 19)

Medicals - 16 (September had 18)

### COMMUNITY EVENTS AND TRAINING

#### **JAMESTOWN TOWNSHIP SCHOOLS:**

##### **JAMESTOWN ELEMENTARY**

Upper and Lower Elementary Schools participated in their annual PTA Walk-a-thon. Students in Pre-K through 5th grade took turns walking around their designated path between both schools. Students, parents and teachers had an upbeat walk/run while getting to greet and connect with the Ottawa County Sheriff's Office and take pictures with Hudson the Eagle.

#### **COMMUNITY EVENTS:**

##### **2025 PANCAKE BREAKFAST**

The JTFD hosted their annual Pancake Breakfast, with an amazing turnout of over 800 visitors! Numerous businesses and local supporters donated many raffle items with the goal to raise funds for the Byslma family in support of both Dan (Capt. with JTFD) and his son, Braydan, as they continue to fight against cancer. The community showed their tremendous support toward their family by raising over \$9500 to assist toward medical bills.

### **COMMUNITY EVENTS CONT.**

#### **PATMOS LIBRARY**

We had the pleasure of being a part of our local Library's first annual Trunk or Treat event. JTFD and OCSO, accompanied by several local vendors, had a fun evening connecting with community members and visitors. Our agency was also able to be a part of the library's "Everyday Heros story time", giving us the opportunity to share safety tips and stories on the ways that we seek to keep our communities safe.

#### **TRAINING:**

##### **OASSN FALL SUMMIT**

OCSO and JTFD attended the annual Ottawa Area Secure Schools Network training, which normally focuses on incidents that occur within school grounds. This year, the OASSN and the FBI raised awareness on topics relating to "Sextortion" and Human Trafficking; how these crimes impact our students both in schools and at home, what signs to look for and how to best prevent them.

##### **OCTOBER FIREARMS IN-SERVICE**

OCSO held its firearms in-service training in October. The focus of this training was to meet both State and Departmental standards relating to tactics, shooting under stress, and developing proper foundations for accuracy. This year's training was also unique as Road Patrol and Jail Deputies officially transitioned to the use of red dot sights to side sidearms.

***Respectfully submitted by Deputy Apolo***
