MEMORANDUM

To: Jamestown Charter Township Board of Trustees and Planning Commission
From: Gregory L. Ransford, MPA
Date: October 2, 2026
Re: Monthly Activity Report – September 2026

Please find within this memorandum our September 2026 Monthly Activity Report for service to Jamestown Charter Township. The report is structured to include those items that are most relevant to planning or include our assistance to another department because of its relevance to planning. If you prefer anything else to be included, please let us know.

Activity

- Data Centers
  - Draft provisions to regulate data centers for the Planning Commission to review
- Renewable Energies
  - Draft provisions to regulate renewable energy for the Planning Commission to review
- Randall Dykstra
  - Seeking to locate an accessory building in front of the dwelling at 575 40th Avenue. The property is located on the west side of 40th Avenue, north of Mason Street.
- AutoZone
  - Seeking 6,816 square foot retail store on the south side of Quincy Street, west of 32nd Avenue (sharing access drive with Arbor Financial Credit Union)
- Tammy Miedema
  - The applicant is seeking a special use permit for an Event Barn at 4151 8th Avenue. The property is located on the west side of 8th Avenue north of Quincy Street.
- Samuel Smith
  - Seeking to locate an accessory building in front of the dwelling at 1891 Byron Road. The property is located on the north side of Byron Road, west of 16th Avenue.

Thank you for the opportunity to serve Jamestown Charter Township.
